Application for a computer ID

I request a computer ID for the purpose of accessing and using IT services at the University of Koblenz-Landau.

<p style="text-align: center;">Computer ID</p> <p style="text-align: center;">The ID may contain 4-14 small letters or numbers. No punctuation marks / symbols are permitted.</p>	<p style="text-align: center;">Password</p> <p style="text-align: center;">The password must contain a minimum of 10 characters! Passwords are case sensitive. Do not select a word from the dictionary as your password! Please use a combination of letters, numbers and symbols!</p>
<p>_____</p>	<p>_____</p>

I agree to use the computer ID exclusively for the purpose of research and teaching at the University of Koblenz-Landau and to adhere to current regulations regarding data protection as well as to other regulations currently in force (e.g. criminal law, the Children and Young Persons Act and copyright). In addition, I agree to and accept the terms and conditions¹ of use of the GHRKO at the University of Koblenz-Landau. I understand that any misuse of my computer ID may lead to the suspension of my user account.

I also agree that:

- my login details and network use may be processed and recorded within the limitations provided for by data protection regulations, insofar as this is required for the administration and operation of the information and communications infrastructure of the University of Koblenz-Landau.
- my e-mail is automatically examined for malware by the data processing centre at the University of Koblenz-Landau.
- my e-mail address is added to the mail distribution system of the University of Koblenz-Landau or its student community for the purpose of the distribution of university-related information.
