The Landau Campus of the University of Koblenz-Landau and Technische Universität Kaiserslautern are in the process of forming the University of Kaiserslautern-Landau (RPTU). We are looking for you to help us shape our new university at the Landau location.

The department of primary education, faculty 5: educational sciences at the Landau Campus invites applications for:

**A full professorship (W 3) in Primary School Educational Research with a focus on professionalization and teaching (m/f/d)**

The department of primary education in Landau is strong in research and innovation. We are looking for candidates with outstanding professional expertise, who will play an active role in strengthening the academic profile of the department and the faculty within the development of the University of Kaiserslautern-Landau (RPTU).

**Key responsibilities:**
Duties lie primarily in the area of primary education. The position holder provides an empirical contribution to research on teaching and learning within the areas of teacher professionalization and instructional quality. Collaboration in one of the faculty’s research profile topics is expected (“Normativity in science and living environment”, „Education and training under conditions of heterogeneity“, „Educational processes in the context of organizations”). Experience with the acquisition of third-party funding, participation in academic self-government and leadership experience are required. The teaching load is 9 hours per week per semester (SWS) and is offered in pre-service primary teacher education (theoretical foundations of primary education with a research-based theory-practice linkage, research perspectives of primary education).

**Appointment Requirements:**
The hiring requirements of the Higher Education Act (HochSchG) in Rhineland-Palatinate apply.
Prerequisite conditions are a successfully completed university degree, a qualified doctorate in primary education or a related discipline (e.g., educational science, psychology), pedagogical aptitude as well as additional scientific achievements (§ 49 Abs. 2 HochSchG). Positions with pedagogical and/or didactic responsibilities in teacher training should preferably be filled with candidates who have three years of teaching experience at the primary school level.

The state of Rhineland-Palatinate and the University of Koblenz-Landau are committed to a policy of intense personal mentoring for students, and thus expect a strong presence of teachers at the university.

The university is committed to equal employment opportunities and strongly encourages women to apply for the position. Given equal qualification and aptitude for the position, female applicants are hired preferentially as long and insofar as underrepresentation persists and unless serious reasons outweigh equal opportunity considerations. Applicants with disabilities will be considered preferentially as long as they are equally qualified (please enclose documentary evidence).

Applicants are asked to send their documents (letter of motivation with specification of research interests, curriculum vitae including a description of scientific and academic career, certificates, list of publications, etc.) only by email to bewerbung@uni-koblenz-landau.de no later than 31.07.2022 quoting the reference number 32/2022. Please attach application documents in a single PDF-file.

Prof. Dr. Anja Wildemann will gladly answer questions and further inquiries by telephone (+49 6341 28034136) or email (burkhart-h@uni-landau.de).
