

# Alternative OLAT-registration

Step-by-step instruction

The purpose of this instruction is to help you create an OLAT account which can be used by everyone who is not a member of one of the listed universities.

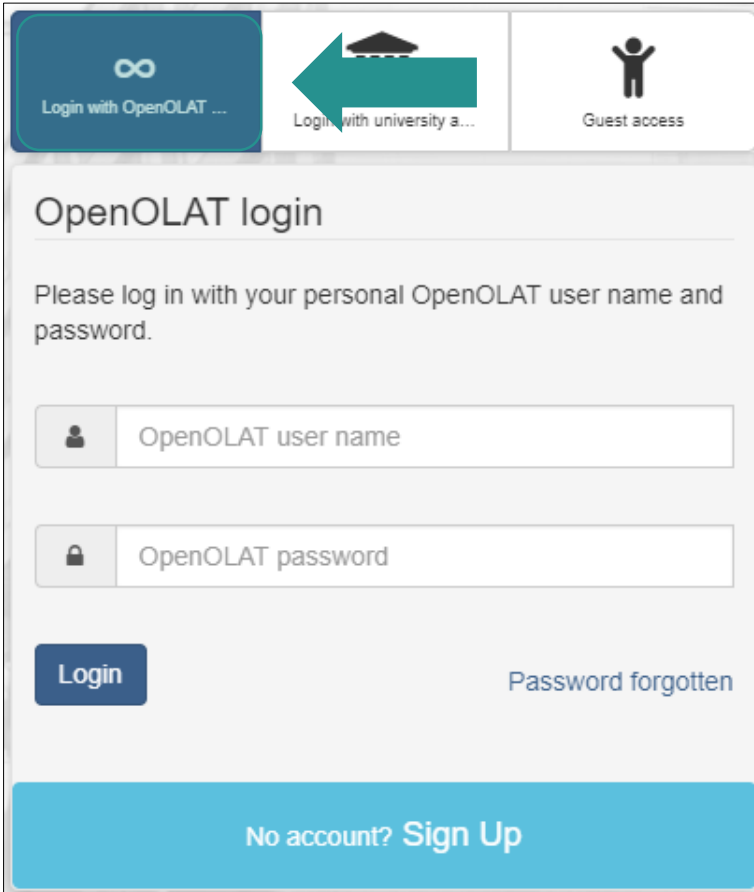

Follow the link below. This will take you directly to the OLAT homepage where you can create your account: <https://olat.vcrp.de/>.

The screenshot shows the OpenOLAT homepage. At the top right, there is a language selection dropdown menu with the following options: Deutsch (selected), English, Español, Français, Italiano, and 简体中文. Below the header, the text "OpenOLAT - infinite learning" is displayed. The main content area features three login options: "Mit OpenOLAT-Kennung", "Mit Hochschul-Kennung", and "Gastzugang". Below these is the "OpenOLAT Anmeldung" section, which includes the instruction "Bitte wählen Sie Ihre Hochschule. Für die Authentifizierung werden Sie weitergeleitet." and a dropdown menu labeled "Wählen Sie Ihre Institution aus...". A "Login" button is located below the dropdown. The footer contains the text "VCRP virtueller campus rheinland-pfalz", "3099 Personen sind online", "Impressum Datenschutzerklärung", and "OpenOLAT 12.5.7 powered by OpenOLAT".

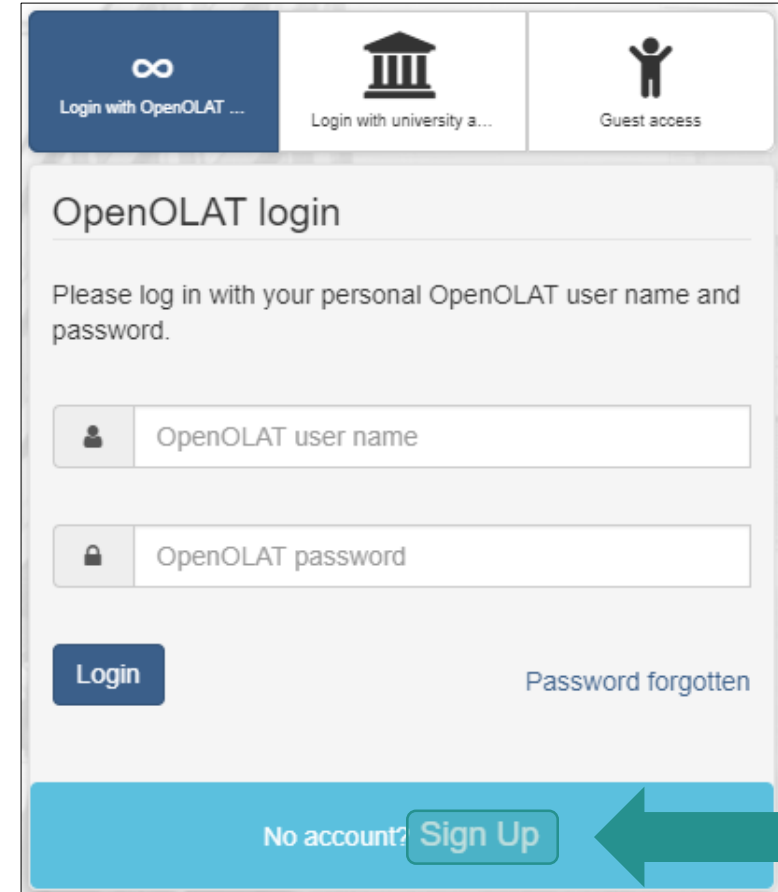

Before you start with registration, you can change the language here to English.

1. Please click on  
„Login with OpenOLAT“

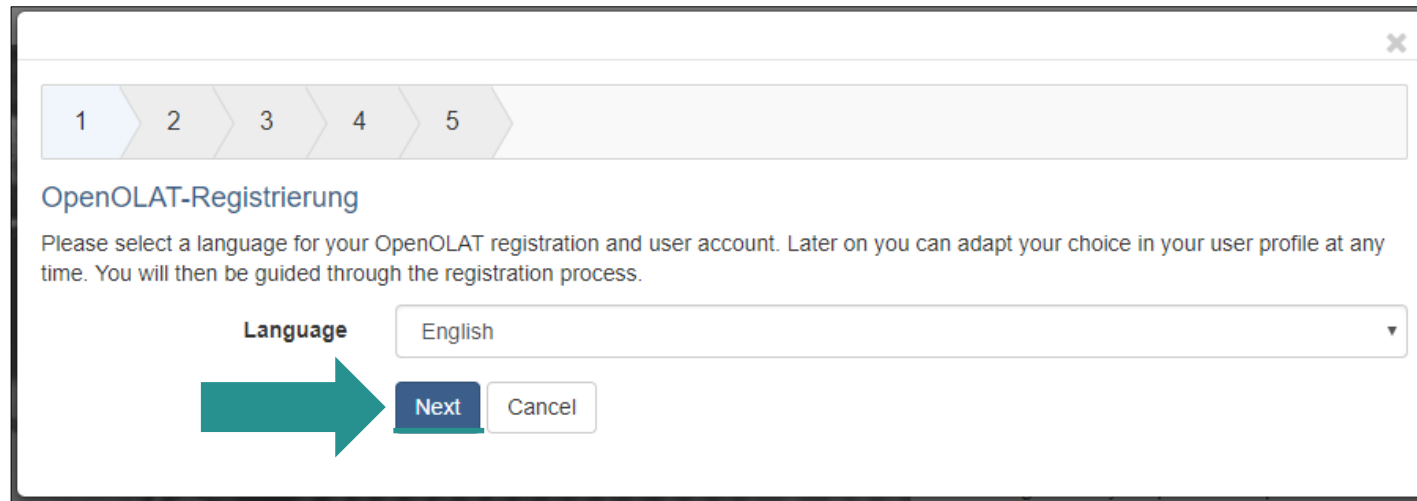

The screenshot shows the OpenOLAT login interface. At the top, there are three buttons: 'Login with OpenOLAT ...' (highlighted with a green arrow), 'Login with university a...', and 'Guest access'. Below these is the 'OpenOLAT login' section with the instruction: 'Please log in with your personal OpenOLAT user name and password.' There are two input fields: 'OpenOLAT user name' and 'OpenOLAT password'. A 'Login' button is on the left, and a 'Password forgotten' link is on the right. At the bottom, a blue bar contains the text 'No account? Sign Up'.

2. Please click on „Sign Up “ to  
start the registration process.

This screenshot is identical to the first one, but with a green arrow pointing to the 'Sign Up' button in the blue bar at the bottom of the page.

First of all you will be asked to choose your language. You will be guided through the registration process in the language you have chosen. Please follow the given instructions.

The screenshot shows a registration window titled "OpenOLAT-Registrierung". At the top, there is a progress bar with five steps, where step 1 is highlighted. Below the progress bar, the text reads: "Please select a language for your OpenOLAT registration and user account. Later on you can adapt your choice in your user profile at any time. You will then be guided through the registration process." A dropdown menu labeled "Language" is set to "English". A large green arrow points to the "Next" button, which is highlighted in blue. A "Cancel" button is also visible.

After the registration process is completed, you will be given a summary of your data. Please be sure to remember your user name and your password. You will need them later to log in.

Please go back to the OLAT homepage: <https://olat.vcrp.de/>

The screenshot shows the OpenOLAT login interface. At the top, there are three navigation options: 'Login with OpenOLAT ...' (highlighted with a blue bar and an infinity icon), 'Login with university a...' (with a university building icon), and 'Guest access' (with a person icon). Below this is the 'OpenOLAT login' section, which includes the instruction 'Please log in with your personal OpenOLAT user name and password.' There are two input fields: 'OpenOLAT user name' and 'OpenOLAT password'. Below the fields is a blue 'Login' button and a link for 'Password forgotten'. At the bottom, there is a blue bar with the text 'No account? Sign Up'.

1. Please click on „Login with OpenOLAT“
2. Please enter your username and password here.

The screenshot shows the OLAT homepage for Universität Koblenz-Landau. At the top left is the university logo and name. Navigation tabs include 'Infos', 'Courses', and 'Groups'. A user profile indicator shows '7/46'. Below the navigation is a horizontal menu with 'Favourites', 'My courses', 'Finished', 'Catalog', and 'Search'. A table area displays 'No data available in table' with a 'Go to top' link. The footer contains '(2908 People are online)', 'Imprint / Datenschutzerklärung', and 'OpenOLAT 12.5.7 powered by OpenOLAT'.

You can now start using OLAT. If you need any help, you can find a user manual here.
